

The prophecies of Daniel Demand our special attention, because they relate to the time in which we are living. We should read them along with the last book of the New Testament. The promise is plain that special blessing will accompany the study of these prophecies. "The wise shall understand." Verse 10. And the promise concerning the revelation that Christ gave to John is, "Blessed is he who reads and those who hear the words of this prophecy, and keep those things which are written in it." Revelation 1:3.
